## Yemen Journal of Medicine

Volume - 1, Issue - 2, Year - 2022 ([www.yjomonline.com](http://www.yjomonline.com))

Yemen Journal of Medicine (YJM) is an open-access, peer-reviewed, triannually journal published in English on behalf of a group of Yemeni physicians working inside and outside Yemen who looked at the contribution of Yemeni publications to the international medical literature and saw that a publication outlet was missing. To fill this gap, therefore, we launched YJM as a tool for transferring current medical knowledge to and from colleagues in developing countries, more...

### Call for paper

We cordially invite faculty, researchers, and scholars to submission of your valuable contribution to our Upcoming issues. It is a double-blind, peer-review, and Open Access (OA) journal and accepts manuscripts as research papers, review articles, case reports, short communication, etc.

### Manuscript Submission Guidelines

To submit your manuscript, first-time users click the Register button from the submission portal. If you are already a registered user, log in as an author and post your manuscript for further peer-review process. Manuscripts submitted for consideration and inclusion in upcoming issues must follow <https://www.yjomonline.com/info/author> and be submitted by **2025-01-11**.

### Advertisement

The advertisement is a screenshot of a website for Manuscript Peer-Review Process (MPRP). The header features the MPRP logo and navigation links: About MPRP, Journals, Support and Training, Contact us, Track article status, Register, and Login. Contact information includes an email address (support@innovativepublications.com) and a support phone number (+91-11-8336414, 8136415 | 9850436448 | 88). The main content area is titled "Manuscript Peer-Review Process" and describes the platform as a web-based portal accessible 24/7, offering editorial services, journal pre-publication services, editorial workflow, and post-publication services. It highlights the flexibility of the platform, allowing users to select services and integrate them into their existing workflow. A diagram illustrates the workflow from author submission to reviewer evaluation and editor decision. The text also mentions that MPRP manages authors, reviewers, and editors' details and is an in-house product of Innovative Publication Pvt. Ltd. The advertisement concludes with the heading "Why MPRP?" and a partial sentence: "If your research is ready to share with world, our submission portal will help you with a user-friendly platform to submit your".

## Manuscript Peer-Review Process

Manuscript Peer-Review Process is a web-based portal that can be accessed 24\*7 under good internet connection. It is a set of editorial services that allows a user to run a journal efficiently. It includes journal pre-publication services, editorial workflow & post publication services. We provide a high level of flexibility, so you can select the services you need and integrate your existing workflow. It allows smooth flow of all publication functions of an editorial office on a single independent platform, no software installation is required, only requires Username, Password to login in different panels.

MPRP manages all the authors, reviewers, editors' details and its integration with the social and professional network. It is inhouse product of **Innovative Publication Pvt. Ltd.** which is managed and operated by Innovative Publication and currently running with around 50+ Journals.

### Why MPRP?

If your research is ready to share with world, our submission portal will help you with a user-friendly platform to submit your
