

YJOM

Yemen Journal of Medicine

Volume - 2, Issue - 1, Year - 2023 (www.yjomonline.com)

Yemen Journal of Medicine (YJM) is an open-access, peer-reviewed, triannually journal published in English on behalf of a group of Yemeni physicians working inside and outside Yemen who looked at the contribution of Yemeni publications to the international medical literature and saw that a publication outlet was missing. To fill this gap, therefore, we launched YJM as a tool for transferring current medical knowledge to and from colleagues in developing countries, more...

Call for paper

We cordially invite faculty, researchers, and scholars to submission of your valuable contribution to our Upcoming issues. It is a double-blind, peer-review, and Open Access (OA) journal and accepts manuscripts as research papers, review articles, case reports, short communication, etc.

Manuscript Submission Guidelines

To submit your manuscript, first-time users click the Register button from the submission portal. If you are already a registered user, log in as an author and post your manuscript for further peer-review process. Manuscripts submitted for consideration and inclusion in upcoming issues must follow <https://www.yjomonline.com/info/author> and be submitted by **2024-10-26**.
